CERAM-A-STAR® 1050 LIMITED WARRANTY

CORRUGATED INDUSTRIES OF FLORIDA INC. ("CORRUGATED INDUSTRIES") extends the following limited warranty concerning sales of CERAM-A-STAR 1050® ("PRODUCT") by AKZO NOBEL for use in commercial, industrial and residential building construction products installed in North and South America.

SECTION A: HOW WILL THE COVERED PRODUCT WEATHER?

Although it is recognized by CORRUGATED INDUSTRIES that most coatings, including PRODUCT, will fade and change appearance to some degree over a period of time in outdoor installations, and that such changes may not be uniform between surfaces not equally exposed, CORRUGATED INDUSTRIES warrants that the PRODUCT covered by this warranty will conform to the performance standards listed below. Items #1 through #3 below apply to metal buildings and similar structures installed north of the 15th parallel in the northern hemisphere, or south of the 15th parallel in the southern hemisphere. Only item #1 applies to metal buildings and similar structures installed between these latitudes:

1. For forty (40) years, PRODUCT will not peel, flake or otherwise lose adhesion to an extent that is apparent on ordinary outdoor visual observation. NOTE: Slight crazing or cracking may occur on roll-formed edges or break bends at the time of forming, and is considered as standard-such crazing or cracking shall not constitute a basis for complaint under this limited warranty; and
2. For thirty (30) years, sidewall panels of PRODUCT will not change color more than five (5) ΔE (delta E) Hunter units and roof panels will not change more than seven (7) ΔE (delta E) Hunter units when measured per ASTM D 2244 on clean surfaces after removing dirt, other surface deposits and chalk per ASTM D 3964; and
3. For thirty (30) years, sidewall panels of PRODUCT will not chalk more than a number eight (8) rating and roof panels will not chalk more than a number six (6) rating when measured per ASTM D 4214. Method A.

SECTION B: WHAT IS NOT COVERED BY THIS LIMITED WARRANTY?

This is an anti-weathering limited warranty and does not apply to other causes of degradation, including, 1) PRODUCT which is applied to other than first quality Galvalume® or galvanized steel; 2) PRODUCT which is not applied in accordance with good practice in the coil coating industry; 3) PRODUCT which has suffered scratching or abrasion or has been damaged by abrasive or chemical cleaners; has been abused, altered, modified, used in a manner not originally intended, or stored contrary to recommendations of AKZO NOBEL, CORRUGATED INDUSTRIES, or the coil coater, or contrary to good industry practice, as discussed in "Tool Kit #1: Preventing Job Site Storage Corrosion of Pre-painted Building Panels," published by the National Coil Coating Association; has been damaged due to moisture entrapment in coils and/or bundles during transit or storage; has been stored or installed in a way which allows standing water on the coating or in any chemically aggressive environment (containing such substances as fumes, ash, salts, dirt, grease, or high humidity); has been stored or installed in such a way that allows contact with animals and/or animal waste or its decomposition products; has suffered from improper forming, fabrication or embossing; corrosion at cut edges; or develop any other condition between the coating and the substrate which causes the coating to degrade or delaminate; 4) PRODUCT which is installed within 1000 meters (3250 feet) of either a salt water shoreline at mean high tide or other marine environment, unless approved in writing by AKZO NOBEL or CORRUGATED INDUSTRIES prior to installation, based on AKZO NOBEL's review of the information provided on the Site Conditions Form (Appendix A). If structures are installed within 1000 meters with AKZO NOBEL's prior written site approval, all provisions of this limited warranty will remain in effect, except Section A (1) (film integrity), so long as all of its conditions are met, and provided that AKZO NOBEL is provided satisfactory written, contemporaneous evidence of the performance of semi-annual "sweet water" [fresh tap water] rinses; 5) PRODUCT topcoats which are not applied as part of a complete AKZO NOBEL system. A complete AKZO NOBEL system means a PRODUCT topcoat applied onto metal which has been primed with an approved AKZO NOBEL primer on both sides of the metal sheet, and which has been coated with an approved AKZO NOBEL backer coating on the reverse side, all per specifications on the AKZO NOBEL Product Data Sheet.

SECTION C: BUYER RESPONSIBILITY

BUYER must do all the following things to have the benefit of this limited warranty:

1. BUYER shall inspect all warranted materials prior to installation for any future problems that may incur to keep repairing or replacing expenses to a minimum.

(OVER)

2. BUYER must report claim in writing to Manufacturer within thirty (30) days after discovery of nonconformance. Adequate identification of the material involved in the claim, including date of installation, Manufacturer order number, Manufacturer invoice number, and date of shipment must be established by BUYER. A copy of this document must be presented to Manufacturer at time of claim. All notices given under or pursuant to this Agreement shall be in writing and sent by registered mail, postage prepaid and return receipt requested. AKZO NOBEL and CORRUGATED INDUSTRIES must promptly be afforded an opportunity to inspect the installation.

If any of these things are not done, this limited warranty will not apply.

SECTION D: REMEDY

If AKZO NOBEL's PRODUCT fails to comply with our limited warranty, due to any defect in material or workmanship, AKZO NOBEL will bear the full cost of labor and material to replace or refinish the defective portion of the field installation. The decision whether to replace or refinish to remedy an honored claim will be made at the sole discretion of AKZO NOBEL. If AKZO NOBEL's investigation indicates that the claimed defect is not covered by this limited warranty, buyer shall reimburse all of AKZO NOBEL and CORRUGATED INDUSTRIES's third party expenses incurred in connection with the investigation of the claim. This warranty also applies to the part(s) being repainted, repaired or replaced, but only for the unexpired portion of the warranty period applicable to the original coated part.

SECTION E: EXCLUSION OF OTHER WARRANTIES

THIS WARRANTY IS EXCLUSIVE AND IS LIEU OF ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OTHER WARRANTY OF QUALITY, WHETHER EXPRESS OR IMPLIED, AND WHETHER WRITTEN OR ORAL. Correction of non-conformities in the manner and for the period of time provided herein shall constitute fulfillment of all liabilities of CORRUGATED INDUSTRIES to buyer with respect to or arising out of the goods whether based on contract, negligence, strict liability in tort, or otherwise.

SECTION F: LIMITATION OF LIABILITY

CORRUGATED INDUSTRIES SHALL NOT, UNDER ANY CIRCUMSTANCES, BE LIABLE FOR SPECIAL OR CONSEQUENTIAL DAMAGES, such as, but not limited to, damage or loss of other property or equipment, loss of profits or revenue, cost of capital, cost of purchase or replacement of other goods, or claims of customers of purchaser for business or service interruptions. THE REMEDIES OF BUYER SET FORTH HEREIN ARE EXCLUSIVE.

SECTION G: OTHER TERMS

AKZO NOBEL and CORRUGATED INDUSTRIES may cancel this limited warranty on thirty days written notice to buyer, except with respect to metal already coated with PRODUCT covered by this limited warranty. This limited warranty does not apply to any goods sold prior to the job and date this document is signed. Buyer agrees that its use of PRODUCT is made in reliance upon this limited warranty and not upon any other written or oral representation of AKZO NOBEL and/or CORRUGATED INDUSTRIES. This limited warranty cancels and supersedes any other warranty or statement of performance made in the past or in the future by AKZO NOBEL or CORRUGATED INDUSTRIES unless such statement is subsequently made in writing as an express amendment of this document.

This warranty is issued to the original owner of the metal building and is not assignable thereafter.

The rights and obligations of the parties hereunder shall not be governed by the provisions of the UN convention on contracts for the international Sale of Goods; rather, these rights and obligations shall be governed by the laws of the State of Florida, USA and jurisdiction and venue is fixed in Hillsborough County, Florida.
